INDEPENDENT AUDITORS' REPORT

We have audited the accompanying financial statements of Doorsteps Neighbourhood Services, which comprise the statement of financial position as at December 31, 2013, and the statements of operations, changes in net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

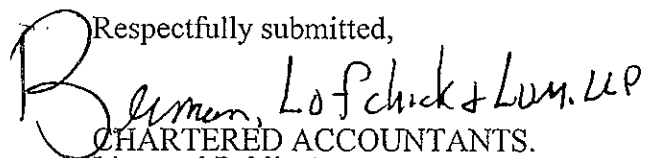

Basis for Qualified Opinion

As is the case of most organizations in receipt of funds by donations and fundraising, verification of such items was impractical beyond accounting for amounts recorded in the accounts of the organization, and we were not able to determine whether adjustments might be necessary to contributions, excess of revenues over expenses, current assets and net assets.

Qualified Opinion

In our opinion, except for the effect of adjustments, if any, which we might have determined to be necessary had we been able to satisfy ourselves concerning the completeness of the donations and fundraising referred to in the preceding paragraph, these financial statements present fairly, in all material respects, the financial position of the organization as at December 31, 2013, and the results of its operations and cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Toronto, Ontario.
May 6, 2014.

Respectfully submitted,

(g) USE OF ESTIMATES

Actual results may differ from these estimates.

(h) REVENUE RECOGNITION

The organization uses the deferral method of accounting for contributions. Accordingly, contributions subject to externally imposed restrictions are initially recorded as deferred revenue and are subsequently recognized as revenue in the period in which the related expenses are incurred.

The organization subsequently measures all its financial assets and financial liabilities at amortized cost, except for investments in equity instruments that are quoted in an active market, which are measured at fair value.
